Nature Urn

£148.00

Our Danish urn range is traditional in form, but pioneering in structure. The urns are made from corn starch, a material which hardens like plastic but will completely decompose when buried. The easy screw-on lid allows this urn to be used for scattering and burying. All colours are available with a range of engravings and optional decorative transfers.

Wool

£176.00

Natural Legacy urns are made in Yorkshire using wool from British farmers through the Quality Assurance scheme. The woollen felt creates a warm, comforting alternative to the more traditional wooden caskets, and is finished with an embroidered nameplate.
